| C F G7 /:

Verse 1  Gonna see some good times
       Gonna get to ring that bell
       Gonna see some good times
       Some times to make up for when I'm not feeling well
       I must be due some great times
       'Cause right now I feel like hell

Verse 2  Never trust a woman who wears her pants too tight
       Never trust a woman who wears her pants too tight
       She might love you tomorrow
       But she'll be gone tomorrow night

Lead  2 Verses on Guitar

Verse 3  Come tomorrow I get my pay and I'm gonna leave this town
       Come tomorrow I get my pay and I'm gonna leave this town
       'Cause she don't really love me
       There ain't no reason to stick around

Lead  2 Verses on Keys → 2 Verses on Guitar

Verse 1  Gonna see some good times
       Gonna get to ring that bell
       Gonna see some good times
       Some times to make up for when I'm not feeling well
       Must be due some great times
       'Cause right now I feel like hell
