Well up in the evening, down in Mobile, Alabama.
Working on a railroad with a steel driving hammer
Got to make some money, buy some brand new shoes
Try to find somebody take away these blues
She don't love me here, I'm singing in the sun
Payday's coming when my work is all done

Lead = Verse

Verse 2
Early in the evening when the sun is sinking low
All day I been waiting for the whistle to blow
Sitting in a teepee built right on the tracks
Rolling them bones until the foreman comes back
Pick up your belongings boys and scatter about
We've got an off-schedule train comin' two miles about

Lead = Verse

Verse 3
Everybody's scrambling, running around
Picking up their money, tearing the teepee down
Foreman wants to panic, 'bout to go insane
Trying to get the workers out the way of the train
Engineer blows the whistle loud and long
Can't stop the train, gotta let it roll on
