The one that closed the bedroom door

I'm called the hit-and-run raper in anger, The knife-sharpened tippie-toe
Or just the shoot 'em dead, brainbell jangler, You know, the one you've never seen before

So if you ever meet the midnight rambler, Coming down your marble hall
Well, he's pouncing like proud black panther, Well, you can say I, I told you so

Well, don't you listen for the midnight rambler?, Oh, you all, play it easy as you go
I'm gonna smash down all your plate glass windows, Put a fist, put a fist through your steel-plated door
