Verse 1 You know my landlord rang my front door bell
I let it ring for a long long spell
Well I went to the window, peeped through the blinds
Asked him to tell me what was on his mind.
He said, “Money honey, Money honey, Money honey
If you want to get along with me.”

Verse 2 Sweet baby said, “I was so hard pressed.”
I called the woman that I love best
Find my baby 'bout half past three
Said, I'd like to know what you want with me
She said, “Money honey, Money honey, Money honey
If you want to get along with me.”

Verse 3 My baby said what's wrong with you
Just hang on our romance is through
Said, tell me baby face to face
How could another man take my place?
She said, “Money honey, Money honey, Money honey
If you want to get along with me,
If you want to get along with me,
If you want to get along with me.”
