Verse 1  Tough Mama, Meat shakin' on your bones
I'm gonna go down to the river and get some stones
Sister's on the highway with that steel-drivin' crew
Papa's in the big house, his workin' days are through
Tough Mama, Can I blow a little smoke on you?

Verse 2  Dark Beauty, Won't you move it on over and make some room?
It's my duty to bring you down to the field where the flowers bloom
Ashes in the furnace, dust on the rise
You came through it all the way, flyin' through the skies
Dark Beauty, With that long night's journey in your eyes

Verse 3  Sweet Goddess, Born of a blinding light and a changing wind
Now, don't be modest, you know who you are and where you've been
Jack the Cowboy went up north, he's buried in your past
The Lone Wolf went out drinking that was over pretty fast
Sweet Goddess, Your perfect stranger's comin' in at last

Verse 4  Silver Angel, With the badge of the lonesome road sewed in your sleeve
I'd be grateful if this golden ring you would receive
Today on the countryside it was a-hotter than a crotch
I stood alone upon the ridge and all I did was watch
Sweet Goddess, It must be time to carve another notch

Verse 5  I'm crestfallen, The world of illusion is at my door
I ain't a-haulin' any of my lambs to the marketplace anymore
The prison walls are crumblin', there is no end in sight
I've gained some recognition but I lost my appetite
Dark Beauty, Meet me at the border late tonight.
