

SAINT LOUIS BLUES

W.C. HANDY

Handwritten musical score for Saint Louis Blues, measures 1-28. The score is written in 4/4 time with a key signature of one flat (Bb). The melody is written on a treble clef staff. Chords are indicated by letters above the staff, and lyrics are written below the staff. The lyrics are: "Say St. Louis woman where is your diamond ring She polishes her man around by her apron strings If it was nit for the powder and store-bought hat say that man I Love wouldnt have gone nowhere no where I that every sun go down I hate to see that every sun go down Cause it make me feel like I'm on my last go'round, If I'm feelin' tomorrow like I'm feelin' to day If".

1 Say St. Louis woman where is your diamond ring She polishes her
5 man around by her apron strings If it was
9 nit for the powder and store-bought hat say that man
13 I Love wouldnt have gone nowhere no where I
17 that every sun go down I
21 hate to see that every sun go down Cause
25 it make me feel like I'm on my last go'round, If
29 I'm feelin' tomorrow like I'm feelin' to day If
